## WARRANTY INFO

Under Development Inc. warrants the products which it manufactures to be free from defects in material and workmanship for a period of **two years from the date of purchase**. Products are not warranted for any particular purpose, application or use. This warranty is limited to the original purchaser ("Purchaser") of the product and is not transferable. During the two year warranty period, Under Development Inc. will repair or replace, at its option, only the defective part of the sling, bladder, or valve at no additional charge. The Beerbelly Limited Two Year Warranty Important! Please call, or e-mail Under Development Inc. for an RMA number before returning any items.

You can reach us the following ways: A. Phone 800/285-6403 B. email: warranty@thebeerbelly.com
